

ADDENDUM TO JOURNAL
OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 14 January 1975

CIA INTERNAL USE ONLY

1. (Internal Use Only - LLM) Jim Oliver, OMB, called and wanted to know in connection with the Director's testimony tomorrow before the Senate Appropriations Committee what we have done with regard to OMB Circular A-19 for clearances. Oliver said that even if the statement by Mr. Colby does not mention legislation, they would still like to have a copy. I told Oliver I would see what I could do in terms of sending him excerpts of the statement pertaining to legislation. Excerpts from the statement were sent to Oliver.

Later, Oliver called back and gave me some suggested language for insertion into the statement.

2. (Internal Use Only - PLC) Delivered and discussed with Jack Boos, Intelligence Subcommittee staff, House Armed Services Committee, two of the original three letters which Chairman Lucien N. Nedzi (D., Mich.) had given to [REDACTED]
